

**Question for written answer E-007680/2015
to the Commission**
Rule 130
Ivan Jakovčić (ALDE)

Subject: Proceedings for a breach of the Directive on Postal Services - Croatia

According to media information, the European Commission has cautioned Croatia and threatened it with action in the European Court of Justice for breach of the Directive on Postal Services.

I ask the Commission which specific violations of the Directive are concerned and what penalties can be expected in the case of proceedings before the Court?
