

**Question for written answer E-007905/2015
to the Commission**
Rule 130
José Blanco López (S&D)

Subject: Competency of postal services

Last March, Commissioner Vestager revealed that she had directed the Spanish authorities to obtain information regarding the use of postal services for the distribution of electoral material in Spain.

I would like to know what information has been collected and what conclusions the Commission has reached regarding this matter.
