to the Commission**

Rule 130

**José Blanco López (S&D)**

Subject: Cross-border healthcare

The Commission informed the European Parliament last December that, at that point in time, it was not in a position to make a definitive statement on the quality of transposition in Spain in respect of Directive 2011/24/EU on the application of patients' rights in cross-border healthcare.

With five months having passed, is the Commission now able to make such a statement?
