

**Question for written answer E-008027/2015
to the Commission**
Rule 130
Hugues Bayet (S&D)

Subject: Transposition of the 'asylum package'

As a string of dramatic immigration-related events unfold in the Mediterranean, concern should also be raised in connection with the transposition of the 'asylum package' which was approved at the end of the previous legislature.

Can the Commission assess the state of play regarding the transposition of this 'asylum package' across the Member States?
