Subject: VP/HR - UE-Mexico

Last month the Vice-President and High Representative and Vice-President Federica Mogherini met the Mexican Minister of Foreign Affairs, José Antonio Meade Kuribreña, to discuss EU-Mexico relations.

Ms Mogherini and the Minister took note of the progress achieved since the last ministerial meeting in September 2013 in further deepening and strengthening EU-Mexico bilateral relations and in implementing the EU-Mexico Global Agreement and the Joint Executive Plan. They welcomed the launch of the High-Level Political Dialogue in January 2014 and called for this dialogue to meet again soon.

How can the European Union contribute to strengthen its relations with Mexico, a country where respect for human rights has suffered a regression in recent years?
