

**Question for written answer E-008154/2015/rev.1
to the Commission**

Rule 130

Pablo Iglesias (GUE/NGL) and Javier Couso Permuy (GUE/NGL)

Subject: EU-Australia relations

Last month, the EU signed a declaration aimed at establishing an association agreement with Australia. It covered various international issues, referring to trade and investment, and emphasising enhanced cooperation between both parties and the opening up of a 'Development Dialogue'.

What is the Commission's priority in relation to signing this declaration? What medium- and long-term goals are being set with Australia?
