Subject: European Fisheries Control Agency striving to have a workforce that is representative of EU citizens

In its responses to Written Questions E-008102/14, E-007850/14 and E-007851/14, the Commission has stated that it 'strives to be representative of the increasingly diverse European citizens it serves'.

What policies does the European Fisheries Control Agency (EFCA) have in place to enable it to be representative of the increasingly diverse European citizenry?

What internal strategies does EFCA have to ensure that its workforce is representative of such citizens?

How does the EFCA monitor and measure the success of the diversity and representation of EU citizens that it is striving to achieve in its workforce?
