Subject: European Fisheries Control Agency striving to be representative of the citizens of Europe

In its responses to Written Questions E-008102/14, E-007850/14 and E-007851/14, the Commission has stated that it 'strives to be representative of the increasingly diverse European citizens it serves'.

Does the Commission's view mirror that of the European Fisheries Control Agency (EFCA)?

Could the EFCA provide 10 examples of its efforts to be representative?
