Subject: Assessment of the impact of EU aid to Eritrea

The Commission has decided to increase EU aid to Eritrea in an effort to help tackle the social turmoil besetting the country and the devastation wreaked by its dictatorial regimes. In a recent parliamentary debate, attention was drawn to the need to carry out a thorough assessment of the impact of the EU aid provided to date. Has the impact of EU aid to Eritrea over the last few years been assessed, and if so, have the findings been made available? Are EU projects in Eritrea subject to ongoing assessment?
