Subject: EU-Mozambique relations

2014 marked 30 years of EU–Mozambique development cooperation. Mozambique is a signatory to the Cotonou Agreement between the EU and the African, Caribbean and Pacific Group of States. This year was to see the start of the next National Indicative Programme (2015-2020), which has an initial allocation of EUR 734 million and will focus on the national budget and rural development.

A fisheries partnership agreement (FPA) was also being negotiated under the new plan.

1. Does the Commission have a record of whether the development aid under this plan has been implemented?
2. Could the Commission indicate how the FPA negotiations with Mozambique are going?
