

**Question for written answer E-008925/2015
to the Commission**

Rule 130

José Blanco López (S&D)

Subject: European funding for Logroño

Since Spain's accession, the country has benefited from EU solidarity as one of the main recipients of funding from the Structural Funds and the Cohesion Fund.

Following on from my Question E-005993/14, can the Commission break down, by multiannual financial programming period, the proportion of European funds that Logroño (La Rioja) has received since Spain acceded to the EU in 1986?

Can it also produce an estimate of the sums from European solidarity that this city will receive in the next programming period 2014-2020?

What projects have received and will receive EU funding or cofinancing?
