Subject: Outstanding European funding in Murcia

Following on from my Question E-005993/2014 on the funding received by Murcia from the Structural Funds and the Cohesion Fund in the last financial programming period, can the Commission provide information on the outstanding sums to be paid by the EU authorities, with details of the projects in question and the corresponding sums per type of Structural Fund (European Social Fund, European Regional Development Fund)? Where applicable can it also provide details of the sums from the Cohesion Fund, as well as those corresponding to the European Agricultural Fund for Rural Development, the European Fisheries Fund and any other EU cohesion programme?
