Rule 130

Subject: Cofinancing of European funds in Ceuta and Melilla

Following on from my Question E-005993-14 on the funding received by Ceuta and Melilla from the Structural Funds and the Cohesion Fund in the last financial programming period, can the Commission provide information on the EU funding 'lost' or not made use of because of the lack of cofinancing from the public authorities in this period 2007-2013, with details of the projects in question and the corresponding sums per type of Structural Fund (European Social Fund, European Regional Development Fund)? Where applicable can it also provide details of the sums from the Cohesion Fund, as well as those corresponding to the European Agricultural Fund for Rural Development, the European Fisheries Fund and any other EU cohesion programme?
