

**Question for written answer E-008930/2015
to the Commission**

Rule 130

José Blanco López (S&D)

Subject: Combatting counterfeiting

In its communication entitled 'Towards a renewed consensus on the enforcement of Intellectual Property Rights: An EU Action Plan', the Commission stated it would produce a report 'on how new technological solutions empowering consumers will help to fight against counterfeiting and piracy', specifically in the context of distribution chains. Can the Commission please state whether this report has been produced? If so, what conclusions have been drawn from the report, and what measures is the Commission considering?
