

**Question for written answer E-009034/2015
to the Commission (Vice-President / High Representative)**
Rule 130
Ivan Jakovčić (ALDE)

Subject: VP/HR - Imprisonment of activists for human and labour rights in Algeria

At the plenary session of the European Parliament of 30 April 2015 I spoke about the imprisonment of activists for human and labour rights in Algeria.

I ask the High Representative what steps she has taken towards the Algerian authorities on behalf of the European Union in view of the clear positions of the members?
