Subject: What academic institutions receive funding in the North West (UK)?

The North West region of the United Kingdom has academic institutions which receive funding and resources from the European Union bodies (the Commission, the Council and/or EU funding programmes).

Can the Commission specify how much funding these institutions have received, directly or indirectly, in the last five years (2010, 2011, 2012, 2013 and 2014)?
