Subject: Non-governmental organisations receiving funding in the North West (UK)

Certain non-governmental organisations in the North West region of the United Kingdom receive funding and resources from EU bodies (Commission, Council and/or EU funding programmes).

Could the Commission state how much funding these non-governmental organisations have received directly or indirectly in the last five years (2010, 2011, 2012, 2013 and 2014)?
