

**Question for written answer E-009459/2015
to the Commission**

Rule 130

José Blanco López (S&D)

Subject: Sanitation system in urban agglomerations

In its answer to my written question E-010245/2014, the Commission states that '12 small agglomerations between 2 000 and 15 000 population equivalents located in Galicia are subject to an ongoing infringement procedure ... for failure of respecting Articles 3 and 4 (paragraphs 1 and 3) of the (Urban Waste Waste) Directive'.

Three months have passed since then, and I would like to know whether the Commission has adopted any decision in respect of those 12 towns and, if so, whether it can state which towns they are?
