Subject: Commitments made at the Global Forum on Transparency and Exchange of Information for Tax Purposes in October 2014

At the Global Forum on Transparency and Exchange of Information for Tax Purposes, which was held in Berlin in October 2015, fifty of the 123 member countries undertook to move towards the automatic exchange of tax information.

It would seem that 89 of the 123 countries that are members of the Forum have finally agreed to support this exercise in transparency.

Can the Commission specify which members of the Global Forum have yet to make this commitment?
