

**Question for written answer E-009621/2015  
to the Commission**

Rule 130

**Lola Sánchez Caldentey (GUE/NGL)**

Subject: Coordination of industrial and commercial policy in the European Union

The economic association agreements and free trade treaties signed between the European Union and other countries have a direct effect on the industrial policy of the Union and its Member States.

What specific mechanisms does the Commission use to coordinate the interests of DG TRADE and DG GROW?
