

Question for written answer E-009713/2015
to the Commission
Rule 130
Siôn Simon (S&D)

Subject: Emission reduction through retrofitted vehicles

Has the Commission undertaken an assessment on the reduction in emissions which could be achieved through retrofitting vehicles with emission control equipment?

How is it working with Member States on this issue?

Are there any potential economic incentives that it could offer Member States to help speed up the transition?
