Subject: Measures taken against Ukraine

In the context of the misappropriation of Ukrainian state funds, the Council decided on 5 June 2015 to extend the asset freeze for three of the four persons covered by measures applying until 6 June 2015. The measures have been extended by nine months for two of the persons concerned and by four months for the third. This decision was taken in the light of ongoing judicial proceedings in Ukraine with regard to these persons. EU restrictive measures focusing on the freezing and recovery of misappropriated assets now apply to a total of 17 persons.

What measures has the Council foreseen if the situation in Ukraine continues?
