Subject: Efforts by the European Centre for Disease Prevention and Control to have a workforce that is representative of EU citizens

In its response to Written Questions E-008102/2014, E-007850/2014 and E-007851/2014, the Commission stated that it 'strives to be representative of the increasingly diverse European citizens it serves'.

What policies does the European Centre for Disease Prevention and Control have in place to ensure that it is representative of the increasingly diverse European citizens it serves?

What internal strategies does it have to ensure that its workforce is representative of such diversity?

How does it monitor and measure the success of the diversity and representation of EU citizens that it is striving to achieve in its workforce?
