Subject: Efforts by the European Centre for Disease Prevention and Control to be representative of the citizens of Europe

In its response to Written Questions E-008102/2014, E-007850/2014 and E-007851/2014, the Commission stated that it 'strives to be representative of the increasingly diverse European citizens it serves'.

Does the Commission's view mirror that of the European Centre for Disease Prevention and Control?

Could the European Centre for Disease Prevention and Control provide 10 examples of its efforts towards this goal?
