Subject: Transparency of the procedure to select the Director of the European Union Agency for Fundamental Rights

I should like to put several questions to the Commission concerning the procedures and criteria which were used to draw up the short list of candidates for the position of Director of the European Union Agency for Fundamental Rights (FRA):

- What specific criteria were applied when selecting candidates for the short list?
- Were efforts made to ensure transparency during the process of selecting candidates? If so, how?
- Why, in the case of some candidatures, was the requirement of academic achievement in the area of fundamental rights waived?
