Subject: Costs of Council staff travelling between the three places of work in 2015 for weeks 11 and 13

Could the Council provide separate figures for the number of Council staff travelling on mission between the three places of work in weeks 11 and 13 in 2015 and the total costs of such travel?

Could the Council explain any differences in costs for weeks 11 and 13 compared with weeks 7 and 9?
