

**Question for written answer E-010785/2015
to the Commission**
Rule 130
Siôn Simon (S&D)

Subject: Social dumping

A recent employment review in Belgium showed that one third of employers were in breach of labour law, with social dumping and the exploitation of posted workers appearing as major concerns.

Given the increasing evidence of abusive treatment of posted workers and social dumping, when does the Commission plan to bring forward its targeted review of the relevant directives?
