to the Commission**

Rule 130

Gabriel Mato (PPE) and Carlos Iturgaiz (PPE)

Subject: Fighting violence against homeless people

In a resolution approved in 2013, Parliament called for a comprehensive strategy for fighting hate crime, bias violence and discrimination.

In Spain an alarming report has recently emerged on attacks on homeless people; many such incidents are not officially recorded, however, as the victims do not report them.

What action has the Commission taken towards introducing a comprehensive strategy for fighting hate crime, bias violence and discrimination?

What action is it planning to take against attacks on homeless people?

What information does it have on attacks on homeless people in the EU as a whole?
