

**Question for written answer E-011295/2015
to the Commission**

Rule 130

José Blanco López (S&D)

Subject: European Space Policy

In a recent article, the Commissioner for the Internal Market, Industry, Entrepreneurship and SMEs, Elżbieta Bieńkowska, stressed the strategic nature of the European Space Policy and the need to further strengthen the ties between the European Space Agency, the European Union and industry.

Can the Commission explain what it is doing in this regard in order to unleash and exploit the full potential of the European space industry?
