

Question for written answer E-011416/2015
to the Commission
Rule 130
Ulla Tørnæs (ALDE)

Subject: Harmonised standards for helmets for equestrian activities

On 13 October 2014, in an implementing decision, the Commission withdrew the harmonised standard for equestrian activities under Regulation (EU) No 1025/2012.

Is the Commission working to put forward a new harmonised standard for helmets for equestrian activities?

If it is, when does it expect to do so?
