Rule 130
Morten Messerschmidt (ECR)

Subject: Taxation of Danish pensioners in Germany

Can the Commission confirm that Danish nationals resident in Germany who have acquired their pension rights here enjoy a tax exemption in respect of the first EUR 800, and if so, can the Commission also confirm that this tax exemption ceases to apply if the pensioner moves to Denmark or to another Member State?

If this is the legal situation, does the Commission believe that this is in accordance with EU law, and if not, does the Commission intend to bring proceedings against Germany?
