

**Question for written answer E-012112/2015
to the Commission**
Rule 130
Siôn Simon (S&D)

Subject: Dairy storage aid

Can the Commission explain in detail its reasons for extending public intervention and private storage aid (PSA) for butter and skimmed milk powder?

Does the Commission think PSA is good for the EU in the long term?

How is the Commission trying to better manage milk production within the EU, given the world outlook?
