

**Question for written answer E-012125/2015
to the Commission**

Rule 130

Jean-Luc Mélenchon (GUE/NGL)

Subject: Is Greece required to recognise Kosovo?

Concerning advice received by Greece from the institutions, it has, according to the Serbian '*Blic*' newspaper, been urged by its 'creditors' to recognise Kosovo as an independent state.

In other words, pressure is being brought to bear on Greece to abandon the small amount of diplomatic sovereignty it still enjoys. This is totally inadmissible.

Is the Commission able to refute these allegations?
