

Question for written answer E-012207/2015
to the Commission
Rule 130
Beatrix von Storch (ECR)

Subject: Italy and primary balance

1. How has the difference between State revenue and State expenditure in the Italian budget developed since Italy joined the EU (please provide a breakdown by year, primary balance and financial balance)?
2. How much does the EU expect Italy's primary and financial balances to be in the years ahead (please provide a breakdown by year, primary balance and financial balance)?
3. So far as the Commission is aware, how much does the IMF expect Italy's primary and financial balances to be in the years ahead (please provide a breakdown by year, primary balance and financial balance)?
