Subject: Outstanding European funding in the Balearic Islands

Further to my Written Question E-005993/2014 on the structural and cohesion funding received by the Balearic Islands during the 2007-2013 programming period, could the Commission provide information on the funds yet to be paid out by the EU, stating the projects and amounts concerned and breaking those amounts down into payments still due from the Structural Funds (European Social Fund, European Regional Development Fund), the Cohesion Fund, where applicable, the European Agricultural Fund for Rural Development, the European Fisheries Fund and any other EU cohesion programmes?
