Subject: EU funding to Santander

Since Spain joined the EU it has benefited from EU solidarity as one of the main beneficiaries of structural and cohesion funding.

Further to my written question E-005993/2014, can the Commission provide a breakdown, by multiannual financing period, of the share of European funding received by the city of Santander (Cantabria) since Spain joined the EU in 1986?

Can the Commission also provide an estimate of the amounts of EU solidarity funding that this city will receive over the 2014-2020 programming period?

What projects have received, and will receive, EU financing or co-financing?
