Subject: Defence of the European milk sector under the TTIP

A number of Spanish stockbreeders' associations are expressing great concern about current US-EU free trade negotiations, taking the view that their sector might be one of those affected and some of them are even seeking exclusions, especially for small and medium-sized dairy breeders.

In view of this:

What action will the Commission take to defend the interests of European small and medium-sized dairy breeders in connection with the TTIP negotiations?
