

Question for written answer E-012333/2015
to the Commission
Rule 130
José Blanco López (S&D)

Subject: EU dairy market intervention

In response to the crisis currently affecting dairy prices in the Autonomous Community of Galicia and in Europe as a whole, the farmers' unions are calling for measures to step up intervention in this sector with a view to finding alternative outlets for surplus production.

In view of this:

Does the Commission intend to propose the necessary modifications and step up funding for social initiatives such as school milk or assistance for those in need?
