

**Question for written answer E-012356/2015
to the Commission**
Rule 130
Julie Girling (ECR)

Subject: Cross-border healthcare

It has recently been brought to my attention that constituents, particularly UK retirees living in France, are struggling to access the full benefits of the EU's Directive on cross-border healthcare.

How does the Commission assess the UK's implementation of this Directive, and in particular, the UK's status in relation to its inclusion within Annex IV?
