Rule 130

José Blanco López (S&D)

Subject: Implementation in Galicia of the ERDF 2007-2013

The 2014 report on the implementation of the European Regional Development Fund (ERDF) 2007-2013, presented by the Commission last July, gives cause for concern for Galicia owing to the low implementation levels in some of the main fields covered by the Fund.

Galicia was allocated over EUR 1 200 million of the roughly EUR 2 200 million that Spain received under the ERDF 2007-2013.

Might Galicia lose aid it is due to receive under the ERDF operational programme, owing to late or non-implementation of the programmes concerned?
