

Question for written answer E-013657/2015
to the Commission
Rule 130
Olaf Stuger (ENF)

Subject: Wind turbines in or immediately adjacent to Natura 2000 areas

1. In the Commission's view, and under EU law, is it permissible in a Member State to situate wind turbines in or immediately adjacent to a Natura 2000 area?
2. In the Commission's view, and under EU law, is it permissible in a Member State to situate wind turbines in areas where protected animals (including specific bird and bat species) occur?
