

**Question for written answer E-013927/2015
to the Commission**
Rule 130
Jozo Radoš (ALDE)

Subject: Horizon 2020 funding

According to the EU rules on funding under the Horizon 2020 programme, research is eligible only if it is carried out for civil purposes.

How does the Commission check on the enforcement of these European rules?

How does it ascertain that Horizon 2020 resources are being used for civil purposes when funding is granted to companies which are also military suppliers?
