

**Question for written answer E-013977/2015**  
**to the Commission**  
Rule 130  
**Ulla Tørnæs (ALDE)**

Subject: Reduction of national emissions of certain atmospheric pollutants

Would the Commission kindly inform the Parliament of the current level of reductions for ammonia achieved since 2005 in the EU as a whole with a view to assessing progress towards achieving the proposed reduction commitments by 2020 set out in Annex II of the Commission's proposal for a new Directive on the reduction of national emissions of certain atmospheric pollutants and amending Directive 2003/35/EC (NEC)?
