to the Commission**  
Rule 130  
**Patricija Šulin (PPE)**

Subject: Effectiveness of financial aid for SMEs

In its answer to parliamentary question E/009187/2015, the Commission set out the range of programmes for the period 2014-2020 which will facilitate SMEs' access to finance, but the question about their effectiveness went unanswered.

What does the Commission think about the effectiveness of the numerous measures it has adopted in the past to address the problem of SMEs' access to finance?
