Rule 130

Subject: Turkey and the EU's response to the refugee crisis

At a recent European Union leaders' summit, one of the measures reportedly agreed was to provide EUR 3 billion in funding to Turkey over the next two years.

Can the Commission please confirm the specific aims of this funding, and what audit trails will be available to ensure that this sum of money is spent appropriately to achieve these aims?

Further to the above, can the Commission please clarify whether any of this funding is being spent directly to actually improve the conditions in refugee camps in Turkey?

If so, can the Commission please confirm whether any similar funding is proposed for refugee camps in Jordan and Lebanon?
