Subject: Vocational education and training

Vocational education training (VET) is an important educational pathway that can enrich the employability skills of students. Mobility is itself considered to be one of the best ways in which students sharpen their transversal skills thereby further enhancing their employability. The main VET institute in Malta is the Malta College of Arts, Science and Technology (MCAST) housing more than 6 000 students.

- a. Can the Commission indicate how many students from MCAST are being provided with mobility opportunities?
- b. Can the Commission indicate what measures or assistance it provides for facilitating an increase in such mobility placements?
