

**Question for written answer E-015716/2015/rev.1
to the Commission**
Rule 130
Edouard Ferrand (ENF)

Subject: United Nations: 50 million immigrants to enter Europe by 2050

The UN is saying that EU countries will have to take in 50 million immigrants over the course of the first half of the 21st century.

1. Is the Commission aware of these reports?
2. How is it planning to deal with the mass influx of legal and illegal immigrants that is to come?
