to the Commission
Rule 130
Syed Kamall (ECR)

Subject: London Olympic Stadium

I have been contacted by a constituent regarding the London Olympic Stadium.

Could the Commission please notify me whether any correspondence or communications have occurred between any UK Government bodies and EU institutions regarding the issue of state aid and the London Olympic Stadium (or organisations with some financial or equity stake in either the management or ownership of the stadium) and provide the dates and content of these correspondences or communications?
