Subject: Results of the call for proposals relating to the European Disability Card

In summer 2015 the Commission's DG Employment, Social Affairs and Inclusion launched a 'Call for proposals to support national projects on a mutually recognised European Disability Card and associated benefits'. Information about the results of the call, according to which projects from eight Member States were selected, was published on 12 January 2016. I would like to ask the following additional questions concerning the results:

- For each successful applicant, what will be the duration of the project selected?
- What kinds of service have the successful applicants decided to cover under the European Disability Card (transport, culture, sport, leisure, etc.)?
- Will the projects be monitored and/or evaluated by the High Level Group on Disability?
