

Question for written answer E-001344/2016
to the Commission
Rule 130
Siôn Simon (S&D)

Subject: Home energy efficiency

Is the Commission aware of any measures that it has employed which are designed to help Member States achieve their carbon emission targets, with particular attention to improving home energy efficiency?

To what extent will these measures have to change in the context of COP21 which resulted in the adoption of the Paris Agreement?
